## **BACON SALSA CHEESE BURGERS**

Want to impress your friends with your grilling genius? Then make these Bacon Salsa Cheese Burgers and you'll be the talk of the town. The salsa adds some sweetness and just a hint of heat, while delivering all that great bacon taste and keeps the burger juicy and delicious.

### **Ingredients:**

1 lb. Ground Beef 80/20  
4-5 oz. of Deception Oink Spicy Bacon Salsa  
3/4 Cup of Bread Crumbs  
1 tsp Ground Coriander  
1 tsp Paprika  
Salt and Fresh Ground Pepper to Taste

### **Directions:**

In a bowl, mix ground beef, coriander and paprika thoroughly. Add the salsa and bread crumbs and mix. Divide mixture into 4 equal balls and mold into patties. Season patties on both sides with sea salt and fresh ground pepper (or if you have a favorite dry rub use that instead) right before you put them on the heat.

Cook over medium heat on the grill until the patty is cooked to your preferred degree of doneness. Top with Sharp Cheddar Cheese and 2 pieces of Bacon just because you can.
